Smart and Skilled: 2015 Prices, fees and subsidies – V2

Education &
Communities

2015 Schedule of prices, fees and subsidies

This Schedule details updates to the 2015 NSW Skills List qualifications eligible for government subsidy under Smart and Skilled. The total price of each qualification, loadings to training providers where applicable and student fees in 2015 are listed. Qualifications are listed in alphabetical order by course title.

Smart and Skilled: Training provider guide to 2015 prices, fees and subsidies gives detailed information on prices, loadings, fees, concessions and fee administration at www.training.nsw.gov.au/forms_documents/smartandskilled/prices_fees/2015_provider_guide.pdf.

Price

The total price of a qualification is the amount paid to the training provider and reflects the efficient cost to deliver training. This price is made up of a government subsidy and a student fee.

Student fee	+	Subsidy to provider	=	Qualification price
-------------	---	---------------------	---	---------------------

Loadings to providers

Loadings will be paid to providers to meet the higher cost of training for disadvantaged students (needs loading – for Aboriginal students [15 per cent], students with a disability [15 per cent], long term unemployed [10 per cent]) and students in regional and remote areas (location loading).

A Smart and Skilled provider can claim a maximum of one location loading and one needs loading per student per commencement.

Prices and fees for RPL and part qualifications

Prices and fees for Recognition of Prior Learning (RPL) or Recognition of Current Competency (RCC), credit transfer and part qualifications are outlined in *Smart and Skilled: Training provider guide to 2015 prices, fees and subsidies*.

Student fees

Fees listed are for the full qualification, rather than the current practice of paying by the year. The training provider may spread the fee payable across the duration of the course. All providers will charge the same total student fee.

Fees are listed for students commencing their first post school qualification and for those commencing a second or further qualification.

Foundation Skills courses, traineeships and fees for 15-17 year olds will be at the first post-school qualification fee.

Fees for apprentices and trainees

The Schedule indicates where funded qualifications are offered as apprenticeships or traineeships and the student fee for each.

Concessions and exemptions from fees

Students may be eligible for a concession or fee exemption. The concession fee is listed for each qualification.

Students will need to check with their approved training provider on eligibility for concessions or exemptions and the evidence required.

Student loans

Eligible Diploma and Advanced Diploma students have access to VET FEE-HELP loans that do not have to be repaid until their income reaches a set level. More information is available from approved training providers.

Further information

For further information about Smart and Skilled go to training.nsw.gov.au/smartandskilled.

Students are able to check eligibility for Smart and Skilled, get an estimate of the fee for each qualification and find out where they can study, at the Smart and Skilled website www.smartandskilled.nsw.gov.au.

This Schedule includes the 2015 NSW Skills List V2 qualifications eligible for government funding under Smart and Skilled and the 2015 price for each qualification, student fees and loadings to RTOs where applicable. The Qualification Price is made up of the student fee and government subsidy to the provider. **Entitlement** qualifications include full qualifications at Certificate III and below, including Foundation Skills, and all apprenticeships and selected traineeships. *** Indicates Foundation Skills. Targeted priority** qualifications include full qualifications at Certificate IV and above, prevocational and part qualifications. The Schedule indicates where funded qualifications are offered as apprenticeships or traineeships. Fees are listed for a student's first post school qualification and for second and further qualifications. Students may be eligible for concession fees or exemption from fees. Concession fees are listed.

The Skills List is updated regularly and reviewed annually to meet the changing needs of industry. Training Package qualifications and vocational training orders for apprenticeships and traineeships are subject to update and review. Course titles and course codes may change or be replaced or superseded, these are marked in the column 'Previous Code' on the updated List. Training providers should enrol students in the new qualification once they have it on their scope. Providers must meet the requirements of Australian Skills Quality Authority (ASQA) to update students' enrolment to the current qualification before the previous qualification's expiry date. For information refer to ASQA's General Direction on Transition and Teach-Out (www.asqa.gov.au). Where qualifications are no longer on the updated List, current students can complete but new students will no longer be able to enrol in the qualification.

This Schedule includes the 2015 NSW Skills List V2 qualifications eligible for government funding under Smart and Skilled and the 2015 price for each qualification, student fees and loadings to RTOs where applicable. The Qualification Price is made up of the student fee and government subsidy to the provider. **Entitlement** qualifications include full qualifications at Certificate III and below, including Foundation Skills, and all apprenticeships and selected traineeships. *** Indicates Foundation Skills. Targeted priority** qualifications include full qualifications at Certificate IV and above, prevocational and part qualifications. The Schedule indicates where funded qualifications are offered as apprenticeships or traineeships. Fees are listed for a student's first post school qualification and for second and further qualifications. Students may be eligible for concession fees or exemption from fees. Concession fees are listed.

The Skills List is updated regularly and reviewed annually to meet the changing needs of industry. Training Package qualifications and vocational training orders for apprenticeships and traineeships are subject to update and review. Course titles and course codes may change or be replaced or superseded, these are marked in the column 'Previous Code' on the updated List. Training providers should enrol students in the new qualification once they have it on their scope. Providers must meet the requirements of Australian Skills Quality Authority (ASQA) to update students' enrolment to the current qualification before the previous qualification's expiry date. For information refer to ASQA's General Direction on Transition and Teach-Out (www.asqa.gov.au). Where qualifications are no longer on the updated List, current students can complete but new students will no longer be able to enrol in the qualification.

This Schedule includes the 2015 NSW Skills List V2 qualifications eligible for government funding under Smart and Skilled and the 2015 price for each qualification, student fees and loadings to RTOs where applicable. The Qualification Price is made up of the student fee and government subsidy to the provider. **Entitlement** qualifications include full qualifications at Certificate III and below, including Foundation Skills, and all apprenticeships and selected traineeships. *** Indicates Foundation Skills. Targeted priority** qualifications include full qualifications at Certificate IV and above, prevocational and part qualifications. The Schedule indicates where funded qualifications are offered as apprenticeships or traineeships. Fees are listed for a student's first post school qualification and for second and further qualifications. Students may be eligible for concession fees or exemption from fees. Concession fees are listed.

The Skills List is updated regularly and reviewed annually to meet the changing needs of industry. Training Package qualifications and vocational training orders for apprenticeships and traineeships are subject to update and review. Course titles and course codes may change or be replaced or superseded, these are marked in the column 'Previous Code' on the updated List. Training providers should enrol students in the new qualification once they have it on their scope. Providers must meet the requirements of Australian Skills Quality Authority (ASQA) to update students' enrolment to the current qualification before the previous qualification's expiry date. For information refer to ASQA's General Direction on Transition and Teach-Out (www.asqa.gov.au). Where qualifications are no longer on the updated List, current students can complete but new students will no longer be able to enrol in the qualification.

This Schedule includes the 2015 NSW Skills List V2 qualifications eligible for government funding under Smart and Skilled and the 2015 price for each qualification, student fees and loadings to RTOs where applicable. The Qualification Price is made up of the student fee and government subsidy to the provider. **Entitlement** qualifications include full qualifications at Certificate III and below, including Foundation Skills, and all apprenticeships and selected traineeships. *** Indicates Foundation Skills. Targeted priority** qualifications include full qualifications at Certificate IV and above, prevocational and part qualifications. The Schedule indicates where funded qualifications are offered as apprenticeships or traineeships. Fees are listed for a student's first post school qualification and for second and further qualifications. Students may be eligible for concession fees or exemption from fees. Concession fees are listed.

The Skills List is updated regularly and reviewed annually to meet the changing needs of industry. Training Package qualifications and vocational training orders for apprenticeships and traineeships are subject to update and review. Course titles and course codes may change or be replaced or superseded, these are marked in the column 'Previous Code' on the updated List. Training providers should enrol students in the new qualification once they have it on their scope. Providers must meet the requirements of Australian Skills Quality Authority (ASQA) to update students' enrolment to the current qualification before the previous qualification's expiry date. For information refer to ASQA's General Direction on Transition and Teach-Out (www.asqa.gov.au). Where qualifications are no longer on the updated List, current students can complete but new students will no longer be able to enrol in the qualification.

This Schedule includes the 2015 NSW Skills List V2 qualifications eligible for government funding under Smart and Skilled and the 2015 price for each qualification, student fees and loadings to RTOs where applicable. The Qualification Price is made up of the student fee and government subsidy to the provider. **Entitlement** qualifications include full qualifications at Certificate III and below, including Foundation Skills, and all apprenticeships and selected traineeships. *** Indicates Foundation Skills. Targeted priority** qualifications include full qualifications at Certificate IV and above, prevocational and part qualifications. The Schedule indicates where funded qualifications are offered as apprenticeships or traineeships. Fees are listed for a student's first post school qualification and for second and further qualifications. Students may be eligible for concession fees or exemption from fees. Concession fees are listed.

The Skills List is updated regularly and reviewed annually to meet the changing needs of industry. Training Package qualifications and vocational training orders for apprenticeships and traineeships are subject to update and review. Course titles and course codes may change or be replaced or superseded, these are marked in the column 'Previous Code' on the updated List. Training providers should enrol students in the new qualification once they have it on their scope. Providers must meet the requirements of Australian Skills Quality Authority (ASQA) to update students' enrolment to the current qualification before the previous qualification's expiry date. For information refer to ASQA's General Direction on Transition and Teach-Out (www.asqa.gov.au). Where qualifications are no longer on the updated List, current students can complete but new students will no longer be able to enrol in the qualification.

This Schedule includes the 2015 NSW Skills List V2 qualifications eligible for government funding under Smart and Skilled and the 2015 price for each qualification, student fees and loadings to RTOs where applicable. The Qualification Price is made up of the student fee and government subsidy to the provider. **Entitlement** qualifications include full qualifications at Certificate III and below, including Foundation Skills, and all apprenticeships and selected traineeships. *** Indicates Foundation Skills. Targeted priority** qualifications include full qualifications at Certificate IV and above, prevocational and part qualifications. The Schedule indicates where funded qualifications are offered as apprenticeships or traineeships. Fees are listed for a student's first post school qualification and for second and further qualifications. Students may be eligible for concession fees or exemption from fees. Concession fees are listed.

The Skills List is updated regularly and reviewed annually to meet the changing needs of industry. Training Package qualifications and vocational training orders for apprenticeships and traineeships are subject to update and review. Course titles and course codes may change or be replaced or superseded, these are marked in the column 'Previous Code' on the updated List. Training providers should enrol students in the new qualification once they have it on their scope. Providers must meet the requirements of Australian Skills Quality Authority (ASQA) to update students' enrolment to the current qualification before the previous qualification's expiry date. For information refer to ASQA's General Direction on Transition and Teach-Out (www.asqa.gov.au). Where qualifications are no longer on the updated List, current students can complete but new students will no longer be able to enrol in the qualification.

This Schedule includes the 2015 NSW Skills List V2 qualifications eligible for government funding under Smart and Skilled and the 2015 price for each qualification, student fees and loadings to RTOs where applicable. The Qualification Price is made up of the student fee and government subsidy to the provider. **Entitlement** qualifications include full qualifications at Certificate III and below, including Foundation Skills, and all apprenticeships and selected traineeships. *** Indicates Foundation Skills. Targeted priority** qualifications include full qualifications at Certificate IV and above, prevocational and part qualifications. The Schedule indicates where funded qualifications are offered as apprenticeships or traineeships. Fees are listed for a student's first post school qualification and for second and further qualifications. Students may be eligible for concession fees or exemption from fees. Concession fees are listed.

The Skills List is updated regularly and reviewed annually to meet the changing needs of industry. Training Package qualifications and vocational training orders for apprenticeships and traineeships are subject to update and review. Course titles and course codes may change or be replaced or superseded, these are marked in the column 'Previous Code' on the updated List. Training providers should enrol students in the new qualification once they have it on their scope. Providers must meet the requirements of Australian Skills Quality Authority (ASQA) to update students' enrolment to the current qualification before the previous qualification's expiry date. For information refer to ASQA's General Direction on Transition and Teach-Out (www.asqa.gov.au). Where qualifications are no longer on the updated List, current students can complete but new students will no longer be able to enrol in the qualification.

This Schedule includes the 2015 NSW Skills List V2 qualifications eligible for government funding under Smart and Skilled and the 2015 price for each qualification, student fees and loadings to RTOs where applicable. The Qualification Price is made up of the student fee and government subsidy to the provider. **Entitlement** qualifications include full qualifications at Certificate III and below, including Foundation Skills, and all apprenticeships and selected traineeships. *** Indicates Foundation Skills. Targeted priority** qualifications include full qualifications at Certificate IV and above, prevocational and part qualifications. The Schedule indicates where funded qualifications are offered as apprenticeships or traineeships. Fees are listed for a student's first post school qualification and for second and further qualifications. Students may be eligible for concession fees or exemption from fees. Concession fees are listed.

The Skills List is updated regularly and reviewed annually to meet the changing needs of industry. Training Package qualifications and vocational training orders for apprenticeships and traineeships are subject to update and review. Course titles and course codes may change or be replaced or superseded, these are marked in the column 'Previous Code' on the updated List. Training providers should enrol students in the new qualification once they have it on their scope. Providers must meet the requirements of Australian Skills Quality Authority (ASQA) to update students' enrolment to the current qualification before the previous qualification's expiry date. For information refer to ASQA's General Direction on Transition and Teach-Out (www.asqa.gov.au). Where qualifications are no longer on the updated List, current students can complete but new students will no longer be able to enrol in the qualification.

Qualification			Entitlement				Targeted Priority	Student Fee (full qualification)					Loading paid to RTO

This Schedule includes the 2015 NSW Skills List V2 qualifications eligible for government funding under Smart and Skilled and the 2015 price for each qualification, student fees and loadings to RTOs where applicable. The Qualification Price is made up of the student fee and government subsidy to the provider. **Entitlement** qualifications include full qualifications at Certificate III and below, including Foundation Skills, and all apprenticeships and selected traineeships. *** Indicates Foundation Skills. Targeted priority** qualifications include full qualifications at Certificate IV and above, prevocational and part qualifications. The Schedule indicates where funded qualifications are offered as apprenticeships or traineeships. Fees are listed for a student's first post school qualification and for second and further qualifications. Students may be eligible for concession fees or exemption from fees. Concession fees are listed.

The Skills List is updated regularly and reviewed annually to meet the changing needs of industry. Training Package qualifications and vocational training orders for apprenticeships and traineeships are subject to update and review. Course titles and course codes may change or be replaced or superseded, these are marked in the column 'Previous Code' on the updated List. Training providers should enrol students in the new qualification once they have it on their scope. Providers must meet the requirements of Australian Skills Quality Authority (ASQA) to update students' enrolment to the current qualification before the previous qualification's expiry date. For information refer to ASQA's General Direction on Transition and Teach-Out (www.asqa.gov.au). Where qualifications are no longer on the updated List, current students can complete but new students will no longer be able to enrol in the qualification.

This Schedule includes the 2015 NSW Skills List V2 qualifications eligible for government funding under Smart and Skilled and the 2015 price for each qualification, student fees and loadings to RTOs where applicable. The Qualification Price is made up of the student fee and government subsidy to the provider. **Entitlement** qualifications include full qualifications at Certificate III and below, including Foundation Skills, and all apprenticeships and selected traineeships. *** Indicates Foundation Skills. Targeted priority** qualifications include full qualifications at Certificate IV and above, prevocational and part qualifications. The Schedule indicates where funded qualifications are offered as apprenticeships or traineeships. Fees are listed for a student's first post school qualification and for second and further qualifications. Students may be eligible for concession fees or exemption from fees. Concession fees are listed.

The Skills List is updated regularly and reviewed annually to meet the changing needs of industry. Training Package qualifications and vocational training orders for apprenticeships and traineeships are subject to update and review. Course titles and course codes may change or be replaced or superseded, these are marked in the column 'Previous Code' on the updated List. Training providers should enrol students in the new qualification once they have it on their scope. Providers must meet the requirements of Australian Skills Quality Authority (ASQA) to update students' enrolment to the current qualification before the previous qualification's expiry date. For information refer to ASQA's General Direction on Transition and Teach-Out (www.asqa.gov.au). Where qualifications are no longer on the updated List, current students can complete but new students will no longer be able to enrol in the qualification.

This Schedule includes the 2015 NSW Skills List V2 qualifications eligible for government funding under Smart and Skilled and the 2015 price for each qualification, student fees and loadings to RTOs where applicable. The Qualification Price is made up of the student fee and government subsidy to the provider. **Entitlement** qualifications include full qualifications at Certificate III and below, including Foundation Skills, and all apprenticeships and selected traineeships. *** Indicates Foundation Skills. Targeted priority** qualifications include full qualifications at Certificate IV and above, prevocational and part qualifications. The Schedule indicates where funded qualifications are offered as apprenticeships or traineeships. Fees are listed for a student's first post school qualification and for second and further qualifications. Students may be eligible for concession fees or exemption from fees. Concession fees are listed.

The Skills List is updated regularly and reviewed annually to meet the changing needs of industry. Training Package qualifications and vocational training orders for apprenticeships and traineeships are subject to update and review. Course titles and course codes may change or be replaced or superseded, these are marked in the column 'Previous Code' on the updated List. Training providers should enrol students in the new qualification once they have it on their scope. Providers must meet the requirements of Australian Skills Quality Authority (ASQA) to update students' enrolment to the current qualification before the previous qualification's expiry date. For information refer to ASQA's General Direction on Transition and Teach-Out (www.asqa.gov.au). Where qualifications are no longer on the updated List, current students can complete but new students will no longer be able to enrol in the qualification.

This Schedule includes the 2015 NSW Skills List V2 qualifications eligible for government funding under Smart and Skilled and the 2015 price for each qualification, student fees and loadings to RTOs where applicable. The Qualification Price is made up of the student fee and government subsidy to the provider. **Entitlement** qualifications include full qualifications at Certificate III and below, including Foundation Skills, and all apprenticeships and selected traineeships. *** Indicates Foundation Skills. Targeted priority** qualifications include full qualifications at Certificate IV and above, prevocational and part qualifications. The Schedule indicates where funded qualifications are offered as apprenticeships or traineeships. Fees are listed for a student's first post school qualification and for second and further qualifications. Students may be eligible for concession fees or exemption from fees. Concession fees are listed.

The Skills List is updated regularly and reviewed annually to meet the changing needs of industry. Training Package qualifications and vocational training orders for apprenticeships and traineeships are subject to update and review. Course titles and course codes may change or be replaced or superseded, these are marked in the column 'Previous Code' on the updated List. Training providers should enrol students in the new qualification once they have it on their scope. Providers must meet the requirements of Australian Skills Quality Authority (ASQA) to update students' enrolment to the current qualification before the previous qualification's expiry date. For information refer to ASQA's General Direction on Transition and Teach-Out (www.asqa.gov.au). Where qualifications are no longer on the updated List, current students can complete but new students will no longer be able to enrol in the qualification.

Qualification			Entitlement				Targeted Priority	Student Fee (full qualification)					Qualification Price	Loading paid to RTO			
Previous Code	Code	Title	Delivered as				First Qualification	Second or Further Qualification	Apprenticeship	Traineeship	Concession	Needs		Location			
			Qualification	Apprenticeship	Traineeship	Qualification						ATSI or Disability		Long-term unemployed	Regional	Remote
